

Short biographies of the members of the senior management of Germanedge

Christian von Stengel – CEO Germanedge

Christian von Stengel has been CEO of Germanedge since 2018. In his role, he is guided by the vision to help shape the future of manufacturing.

Digital value chains, Industry 4.0, IoT, platforms, Blockchain, analytics, big data and agile management are some of the topics that Christian von Stengel is enthusiastic about.

He has more than 25 years of experience in executive positions. Using innovation and technology to implement corporate strategies, leading teams in multicultural and agile environments, handling complex sales situations and corporate development.

Prior to joining Germanedge, he held various management positions, including at Virtualis, Oracle and UNIT4.

Oliver Schwarz – CXO Germanedge

Oliver Schwarz has been the Chief Experience Office (CXO) of Germanedge since 2019. He is also General Manager and Managing Director of GEFASOFT and New Solutions.

His 20 years of experience in executive positions at leading companies, such as General Electric, Capgemini and ISG, is characterized by the successful implementation of strategic realignments. In doing so, customers are actively involved as impulse generators and changes are created together

In his role as CXO, Oliver Schwarz is responsible for the operational and strategic alignment of consulting and support services to customer requirements.

Richard Pickford – CFO Germanedge

Richard Pickford joined Germanedge in 2019 as Chief Financial Officer. He is responsible for the group's financial reporting, planning and risk management along with the legal and tax side of the business.

Before becoming CFO, Richard Pickford was a Director in the M&A Transaction Services department at Deloitte.

Stefan Hagen – Head of Sales Germanedge

Stefan Hagen has 15 years of experience in leading sales positions in the IT industry. A graduate in industrial engineering, he has been responsible for the entire sales team of Germanedge and also for the individual entities since 2018.

His many years of international experience make Stefan Hagen a competent contact person for his team and strategic experts to further expand Germanedge's customer portfolio.

Before joining Germanedge, he worked for Synchron and Oracle.

Arndt Dallmann – CMO Germanedge

Arndt Dallmann is passionate about design, communication and digital transformation. His 360° view of the topics and stories of companies of all sizes and from all industries makes him an expert in the field of branding.

A graduate designer, he looks back on a large number of international projects, which he has successfully managed as Art Director, Creative Director and Managing Partner, among others at Atletico International, Markenfilm Germany and Springer&Jacoby.

He has been Chief Marketing Officer for Germanedge since 2018 and in this role is responsible for the company's external image and overall communications.

Peter-Robin Mijderwijk – CEO Objective & QDA Solutions

Peter-Robin Mijderwijk is passionate for people, co-creation, agile and modern business approaches. With over 25 years of international experience in leadership roles in enterprise and scale-up firms, amongst them renowned software and high-tech firms such as IBM, Oracle and Microsoft.

Peter-Robin believes in motivated teams that make their customer and their own dreams reality. His leadership is rooted in empowering talent with a coaching and story telling style. All this combined with an innovative and entrepreneurial mindset. His top priority in the teams that he leads is to ensure exceptional service for the clientele, high team satisfaction and realising inspiring growth worldwide.

At present, Peter-Robin is CEO of two Germanedge software companies: Objective international and QDA Solutions. As well as being a member of the Germanedge Executive Board.

Dr. Wilmar Mögling – CEO ORSOFT

Dr. Wilmar Mögling has been working for ORSOFT for more than 20 years. In his position as Managing Director together with Hartmut Friedrich since 2018, he puts his focus on the strategic global positioning and the management of the operative business of ORSOFT. The graduated sinologist is also acting as project manager in worldwide projects, mainly in the pharmaceutical, automotive and manufacturing industries. Before joining ORSOFT, Dr. Wilmar Mögling worked as a scientific assistant at Leipzig University in teaching and research.

Hartmut Friedrich – CEO ORSOFT

Hartmut Friedrich and Dr. Wilmar Mögling have formed the management of ORSOFT since 2018. After studying process engineering at the University of Applied Sciences in Merseburg, he first worked in the chemical industry before becoming part of ORSOFT in 1990. In addition to his strategic tasks as managing director at ORSOFT, Hartmut Friedrich also acts as project manager for worldwide projects with a focus on the chemical, pharmaceutical and food industries.
